The size of your mushroom will depend on the size of the yarn and hook you use. The bigger the yarn, the fuller the fungi!

Create a magic ring.
Rnd 1: 4 sc into MR, place marker to mark beginning on rounds
Rnd 2: 2 sc into each st around
Rnd 3: *2 sc, 1 sc* repeat from * to marker
Rnd 4: same as rnd 3
Rnd 5: 1 sc in each st around
Rnd 6: 1 sc, sc2tog* repeat from * to marker
Rnd 7: same as rnd 6
Rnd 8: sc2tog in each st around (6 sts should remain)
Rnd 9-14: 1 sc in each st around, Sl st in last stitch of rnd 14, weave in ends

Shape mushroom by rounding out the cap and pushing the stem up into it. If necessary a few stitches can be added to hold it into place.

Optional: For a two tone mushroom, crochet rounds 1-8 in the colour of your choice (darker brown or red are favs of mine) and change colours at round 9 to make a contrasting stem.
